CorelDRAW 4 Demo Install Walkthrough

The .img of the floppy was mounted in OSFMount as a Read/write, Removable media in virtual drive A. In DOSBox, the drives for windows 3.1 and A were mounted and Windows 3.1 was launched.

Run -> a:\install.exe

![CorelDRAW demo installation window](image1)

This installation installs the CorelDRAW demo on your hard disk. INSTALL gives you step-by-step instructions.

When you're ready:

<table>
<thead>
<tr>
<th>To</th>
<th>Press</th>
</tr>
</thead>
<tbody>
<tr>
<td>Continue</td>
<td>&lt;ENTER&gt;</td>
</tr>
<tr>
<td>Quit</td>
<td>Q</td>
</tr>
</tbody>
</table>

Enter

![CorelDRAW demo installation window](image2)

INSTALL needs to know which directory to put the CorelDRAW demo in.

To accept [C:\DRAWDEMO] as the directory:
- Press the [ENTER] key

To specify a different directory:
- Type the new directory name (for example: C:\PATH )
- Press the [ENTER] key

Install the CorelDRAW demo in? [C:\DRAWDEMO]: _

Looked good to me, so I pressed enter
A fast loading screen appeared, followed by a flash of a red page (I was unable to capture it), and it went back to the Windows 3.1 interface. Looking at the “C” drive I saw that it had created a folder called “drawdemo” that contains a demo.exe inside. I clicked on that.

It then proceeded to load a video like presentation:
SOFTWARE
INFO.BANK

REQUIREMENTS:
- Desktop Publishing
- Artistic Drawing Effects
- Technical Illustration
- Spreadsheets
- Graphs, Tables & Charts
- Bitmap & Photo Editing
- Animation
- Interactive Presentation
- Color Scanning and Tracing
- Optical Character Recognition
- Visual File Management

CorelDRAW 4 FACT FILE

CorelDRAW 4 consists of 7 modules for creating Graphics, Charts, Graphs, Multimedia presentations and more...

CorelSHOW - for assembling multimedia present...
It appears this is just a presentation of what this program can do, and not an interactable demo.

Conclusion: The image was able to be loaded from the floppy drive and installed successfully. This program turned out to not be applicable for the purposes of the software preservation project.
